Report on Online Quiz Competition as a part of Van Mahotsav Celebration 2025 (22nd July 2025)

Online quiz competition as a part of Van Mahotsav celebration-2025

The Environmental Information, Awareness, Capacity Building and Livelihood Programme Centre (EIACP) at CSIR-National Botanical Research Institute (NBRI) Lucknow, organized an **Online quiz Competition** on the occasion of **Van Mahotsav-2025** celebrations to promote environmental awareness and the importance of tree plantation. The theme focused on **#Plant4Mother** encouraging participants to knowing the nature, diversity, and ecological value of flora.

The competition was open to enthusiastic participation from students, researchers, nature lovers, across the country. Registration and submission links were shared, enabling individuals to sign up and confirm their participation. Winners were selected based on subject excellence.

Aligned with the theme **#Plant4Mother**, the event aimed to inspire collective responsibility toward ecosystem preservation while educating participants about the richness, diversity, and ecological significance of flora. The objectives of the event were to engage individuals in interactive learning, encourage sustainable practices, and deepen understanding of biodiversity and conservation. Additionally, the competition sought to recognize and reward participants for their knowledge, creativity, and commitment, fostering a stronger connection with nature and motivating proactive participation in environmental protection efforts.
