Earth Day-2024 Celebration Theme-Plastic vs Planet Nari Shiksha Niketan P.G. College

22.04.2024

An NBRI-EIACP
Event on Earth
day

Earth Day is an annual event celebrated on 22 April 2024 that honours the achievements of the environmental movement and raises awareness of the need to protect Earth's natural resources for future generations.

NBRI-EIACP organized a lecture and series of activities on the **theme of the Earth Day** i.e. **Plastic vs Planet** at **Nari Shiksha Niketan PG College, Lucknow**.

Dr. Sandhya Mishra, a post-doctoral fellow at CSIR-NBRI delivered a lecture on the **Plastic vs Planet** to aware the students about plastic pollution, its sources and how it adversely affects our planet, and what actions should be taken to reduce the use of plastics. She also told to students that how we can play a major role in protecting the planet earth by adopting adopt sustainable habits and small efforts in our daily life such as say no to single use plastic and instead

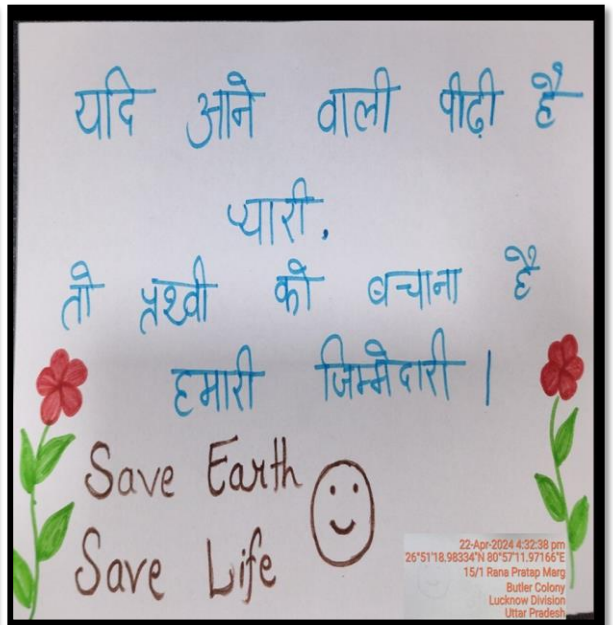

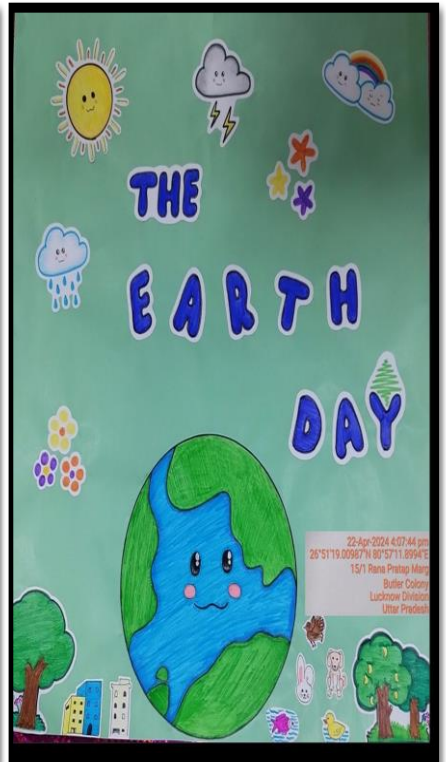

of using plastic bags use cotton or jute bags. Replace plastic bottles with steel or glass bottles.

Students also participated in the poster and slogan competition on theme of plastic vs planet express their enthusiasm for the earth day celebration

Mr. Manish Chaudhary, Information Officer and Ms. Shiwangi Srivastava, Data Entry Operator, distributed newsletters, flyers, and brochures to the teachers as well as to the students.

Teachers and students took life pledge at the event. Total 30 students participated in the entire events. All the student get the e-certificate of participation and winners of different competitions get the rank certificates.

**ENVIRONMENTAL INFORMATION, AWARENESS, CAPACITY BUILDING & LIVELIHOOD
PROGRAMME CENTRE (EIACP-PC)**
