

World Water Day Celebration

22 March 2024

On the occasion of World Water Day – 2024 (22nd March) the EIACP- NBRI hosted an online quiz competition that not only celebrated the day but also underscored the importance of water and the awareness regarding its sustainable use.

World Water Day 2024-Online Quiz
ENVIRONMENTAL INFORMATION, AWARENESS,
CAPACITY BUILDING & LIVELIHOOD PROGRAMME
CENTRE (EIACP-PC) at CSIR- National Botanical
Research Institute (NBRI), Lucknow

B I U ↺ ↻

World Water Day is observed on March 22 annually, to raise awareness about the importance of fresh water and promote the sustainable management of freshwater resources. This year's theme is 'Water for Peace', which focuses on the critical role water plays in the stability and prosperity of the world.
